

Dear Kenney,

I did not have the opportunity to thank you for the wonderful job you did at our wedding reception. I'm glad I was delayed because I have received many compliments from several of my guests as to what a great DJ I had - these compliments I pass on. I have never been to a function where so many people were constantly on the dance floor - you really kept the party moving. My 85 year-old grandmother looked like the Energizer Bunny out there! And many were appreciative of the fact that everyone could dance and have fun but that they could ^{still} easily converse despite the music.

My best to you and your business!

Susan Christensen
